21 vs.

23 THE DIANE E. JOHNSON TRUST  
24 DATED JULY 25, 2013,

25 Defendant.

CASE NOS. 16cv1289-LAB (JMA) and  
16cv2524-LAB (JMA)

**ORDER OF DISMISSAL**

27 Each of these consolidated cases deals with conditions in the same retail parking lot.  
28 After it appeared that Defendant's remediation of conditions mooted all federal claims and  
the Court lacked jurisdiction over the supplemental state claims, the Court dismissed the  
complaints. If Plaintiffs thought they still had claims over which the Court could exercise  
jurisdiction, they were ordered to seek leave to file amended complaints. They were ordered

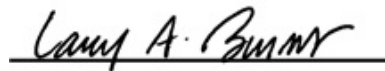

1 to do this no later than Tuesday, September 12, 2017, and were cautioned that if they failed  
2 to do so, this consolidated action would be dismissed without leave to amend.

3 Since that time, Plaintiffs have not filed anything. The Court accepts this as their  
4 concession that they have no claims the Court can exercise jurisdiction over. The  
5 consolidated action is **DISMISSED WITHOUT PREJUDICE, BUT WITHOUT LEAVE TO**  
6 **AMEND**, for lack of jurisdiction.

7 The motion for sanctions in case 16cv2524, *White v. Johnson* (Docket no. 12) is  
8 **DENIED AS MOOT**. All other pending requests are **DENIED AS MOOT** and all pending  
9 dates are **VACATED**.

10 **IT IS SO ORDERED.**

11 DATED: September 29, 2017
